Client: Imperial Clinics

Target Country: India

Category: Homeopathy

Project : SEO / Website Design

DR. KHEDEKAR'S
IMPERIAL
CLINICS®

June 2017 To Present

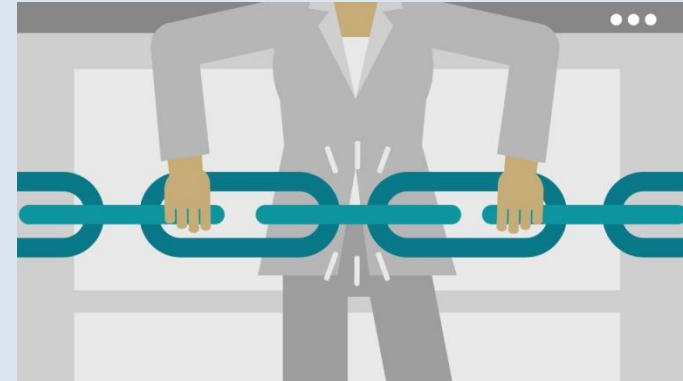

The Situation:

At the start of their campaign, www.imperialclinics.com didn't have a first page presence for keywords that would produce substantial traffic or conversions. Their organic traffic, especially in Google, was very low.

The Solution:

On our Standard Package, we made sure to put www.imperialclinics.com in local directories to improve their authority in Google, optimized the website using our full technical onsite optimization, and started our linking program.

Our linking program uses branded content from the client's website, so not only is their linking profile growing, but promotional materials for their business are also propagating across the internet.
